Your Honor,

I humbly ask for leniency in the sentencing of Dr. Coleman Boyd and the others arrested at the Tennessee clinic. They are not violent criminals and should not be sent to a federal penitentiary for years.

It's true (self-evident and endowed by our Creator) that it's wrong to kill an innocent human being. If the child in the womb isn't an innocent human being, then what is it? A zygote, an embryo, a fetus, a newborn, a toddler, etc., are all stages of human development. If that most innocent life is killed in the womb, they have been denied their unalienable right to life, liberty and the pursuit of happiness.

It seems that attempting to peacefully intervene in the killing of that innocent human should be a duty of each citizen. However, our laws aren't so kind to these innocents.

You're far more intelligent than I am and there are laws you must enforce, but I pray that you would extend grace for these folks. Thank you for your kind consideration.

Sincerely,

Dear Judge Trauger,

I am writing to you today regarding Mr. Dennis Green, and his recent conviction of conspiracy charges. I humbly request that you show him leniency in his sentencing.

Dennis is my friend, and I have had the pleasure of knowing him for a couple of years. I know him to be a loving husband and father. He has been an inspiration in my life and I thank God for him. He is truly an asset to his community, and I trust that you will take all these things into consideration when the day of sentencing comes.

Judge Trauger, I wish to truly thank you for taking the time to consider my plea for leniency for Mr. Green.

Dear Judge Trauger,

Please be lenient in your sentencing of Dennis Green and the other involved in the Mt. Juliet case.

They were trying to be a voice for the voiceless baby in the womb. Please judge righteously as God, our Creator, has appointed you ~~to~~ this position.

I am praying for you and your family,
